

All I Need by John Frank/Jason August

Its bigger than big, but more than that,
Before we met I knew where it was at,
It's smaller than small, these lives we live,
Fill up our time, with nothing left to give,
Now im sure, its time to see
What you are is all I need,
Now im sure its time to see,
What you are is all I need

All I Need, na na na

You're All I Need, na na na

Theres not much time, so make it count,
I want whats mine , but I have my doubts,
When faith is strong, things go right
Now I can see into the night,
Now I'm sure, it's time to see
What you are is all I need,
Now I'm sure, its time to see
What you are is all I need,

All I Need, na na,na

All I Need, na na, na

Repeat forever
